ANDREA M. EPPS

Candidate for the Brandermill Board of Directors

ABOUT ME

- Brandermill resident since 2000
- Brandermill Board of Directors, three years. Currently First Vice President
- Two children in Chesterfield County Schools
- Community Advocate for seven years
- Actively involved with committees to promote preservation of natural resources and community revitalization
- Independent Land Use Consultant

WHAT I BELIEVE

I believe in the collective vision and enormous potential of this community. Brandermill is wonderfully unique, thanks to the thoughtful design that has served as the example of what a large scale community should be. We need to adopt clear policies that will protect the value of each and every property and work toward an equitable approach to covenant enforcement. This will help to ensure the excellent quality of life that we enjoy today remains for future generations.

WHAT I WOULD LIKE TO DO

- Protect and enhance the value of <u>every</u> investment in Brandermill
- Refine the award-winning vision of Brandermill through implementation of the Master Plan
- Protect the quality of our children's education
- Work with commercial members to create the Brandermill Chamber/Business Council to promote patronage at Brandermill businesses
- Ensure proper BCA policies and procedures are adopted
- Work cooperatively with local and state officials to protect our community, its residents and property values

I APPRECIATE YOUR SUPPORT!
